Forecast for Thursday 15 Sep 2022

Weather: Any mist and fog will clear quickly through the morning, leaving a dry and bright start to Thursday. There will be some scattered cloud throughout the day, but plenty of sunny intervals. Isolated mist and fog patches may form again overnight into Friday morning.

Chance of cloud-free hill tops above 600m: 90%

Low cloud and visibility: Poor visibility in any early mist and fog, which may cover some slopes and summits as it lifts and clears through the morning. Cloud will generally be above the summits throughout the day, but may cover tops above 600m for a time during the morning. Otherwise good visibility expected.

Meteorologist's View

UV will be moderate in any prolonged sunny spells, so some additional sun protection may be required. Feeling cool in strong northerly winds, so some extra layers may be necessary.
